We congratulate these students for their excellent performance with trophy and medals.

### Staff and Staff training progress

The most valuable resources of the school is staff. We have very dedicated and enthusiastic team of 91 teachers in senior secondary, secondary, primary and pre-primary sections. We regularly organize teaching training programs in each academic session for their advancement in teaching strategies and teaching techniques etc.

### Co-curricular and Extra Curricular Activities

These are essential part of the life of an educational institution as they strengthen the classroom learning as well as develop the personality of the child.

Congrats with medals and certificates, we conducted weekly test paper of each and every subject to get the feedback of classroom teaching and teaching experiences. We conduct remedial teaching for weak students. Conducted group discussion, debates for senior students and story-telling, writing, conversation for junior students.

Healthy competitions are the essential part of our academics. Sports day and house wise Kho-kho, Volley ball, Shot-put, Kabaddi, Carom, Chess, different types of races etc. We conduct talent show in our school to provide the students a free space to perform well. Science and Math exhibitions are conducted in our school intellectual and aesthetical development of the students.

### National festivals-Life is a celebrations

To understand national integrational understanding, religious and cultural aware and tolerance various national religious and cultural festivals and occasions were celebrated with due pomp and grandeur.

### **National festival**

We celebrate all the National festivals with great zeal and patriotism.

### **Religious festivals**

We celebrated all religious festivals like Eid, Christmas, Diwali, Holi, Buddha Purnima, Easter, Guru Nanak Jayanti, Vasanth Panchami etc.

### **Other celebrations**

The school gives due recognition to significant global events like - Women's Day, Mothers Day, Hindi Diwas, Yoga Day, Girl Child Day, Environment Day etc.

### **Educational tour**

We organize education trip. One of the most important benefits of an educational tour is that it subtly develops an understanding of various social issues around the world. Students get a better grip on the local and the global issues. They become more empathetic and respectful towards other cultures as well as towards their own surroundings.

### **Lab and Libraries**

Real hand experience is essential parts of learning so we have highly equipped labs and rich library for students to improve their reading and creative thinking.

### **Online study during Covid-19**

The nation-wide lockdown because of Covid-19 has led to a burst of activity with online education.

Our children were out of the school. As a result the face of education has changed, now teaching is undertaken on digital platforms.

Students started to attend online class through Whatsapp and Google meet. All teachers and co-coordinators were regular attached with the students.

Apart from this our students performed various online extra-curricular activities like—painting, sketching, poster making, cooking, dancing, yoga etc. to remove the stress of lockdown and students showed/expressed their talent other than study.

All the tests and examinations were taken online.

### **P.T.M (Parents-teachers Meeting)**

We as usually conduct 4 P.T.M in our school in regular basis. We consult with parents about their children's intellectual and aesthetical developments. We always keep satisfying to the parents of the students.

To get the feedback of our students during the lockdown we conducted the P.T.M online through Google-meet as keeping social distances.

### **Conclusion**

We believe that every Year brings changes with God Almighty's protection. As we are passing through an unprecedented crisis situation in the year 2020 we are confident that we will overcome all the odds by our strong will and ethics and pave the way for the betterment of the education fraternity and the society in general. Towards this, we have started our Online lectures from the 01 April 2020 using various Innovative tools to facilitate learning by the students.

Before I conclude, let me assure that even though our students engaged themselves in various co-curricular and life skill activities, top priority is given to academic performance. Remedial teaching, extra classes, revisions, unit tests, class tests, assignments, project work, end of term exams have kept them busy throughout the year. I render thanks to our Principal, our Management, our teaching and non teaching staff and my students and parents who have been with us in all our activities with maximum support and co-operation. With this I conclude the report.
